PLANNING A BRIGHT FUTURE

RAJAT SHAH (INDIA)
Master of Urban and Regional Planning
Planning Officer at Wattle Range Council

With a strong background in architecture and a clear vision and understanding of South Australia’s development policies and growing future, Rajat began his postgraduate studies at UniSA. Thanks to the University’s history in partnering with local councils, Rajat began a placement at Wattle Range Council and, soon after, secured a Planning Officer position.

With a passion for urbanism, Rajat is focused on building a resilient future for generations to come. Working in a regional council, Rajat works on anything from development assessments to public park designs, local heritage surveys, public consultation and a 25-year Strategic Plan. With his awareness and strong sense of accountability, Rajat has quickly become a valued team member.

“I believe our towns and spaces are as profound as we allow them to be, and the majority of social issues can be solved by good planning. For me, planning is a forward-thinking process where I get to interact with the community and developers to achieve goals.”

FUTURE PROOFING A HEALTHY CAREER
BENEDICT OKONJO (NIGERIA)
Master of Health Services Management
Digital Health Lead at Adelaide PHN

Knowing he wanted to work in the hospitals of the future, Ben was looking for a degree which offered a combination of health management and technology studies. The Master of Health Services Management at UniSA provided that unique blend along with a strong focus on the demands of the healthcare industry.

Ben’s studies helped prepare him for his future career as a Digital Health Lead at Adelaide PHN where he provides strategic leadership and oversight of a range of digital health initiatives and projects designed to improve population health outcomes and transform the Australian healthcare system.

“My most proud achievement is the fact I have become a female engineer, especially a sustainable engineer. People tend to ignore or underestimate environmental impacts, particularly when faced with budget constraints, so I have to be brave to raise my voice to protect our ultimate sustainability goals.”

A SUSTAINABLE FUTURE WITH LEGO
THI QUANG LINH TRAN (VIETNAM)
Master of Engineering (Water Resources Management)
Sustainable Construction Manager at the LEGO Group

Vietnam is set to become home to LEGO’s first ever carbon neutral factory. UniSA engineering graduate, Thi Quang Linh Tran, is one of the company’s driving forces behind a more sustainable future. Linh is bringing her technical expertise and passion for environmental ethics to the project, thanks to the experience she gained during her studies.

“A sustainable future is about developing solutions that are not only efficient, but also inspire people to take action towards protecting our environment.”

FROM INDUSTRY ENGAGEMENT TO EMPLOYMENT
BUNHEANG CHHEAN (CAMBODIA)
Bachelor of Professional Accounting (Honours)
Audit Analyst at Deloitte

When Bunheang was researching postgraduate study options, he was inspired by UniSA’s high rankings in business and strong career outcomes.

A highlight of Bunheang’s studies was engaging in industry networking sessions and connecting classroom theory to working environments. He also had the chance to develop his skills through on campus work and volunteering opportunities.

“As an international student, on campus work provides a strong foundation for communication skills, networking and cultural adjustment, and these are all incredible values to get ready for a job after graduation. I was involved in various university activities before I landed my current professional job as an Audit Analyst at Deloitte. It is just the beginning! There is no end to exploration!”

SUPPORTING COMMUNITY WITH HEALTHY FUTURES
ELLA QINGPING LYU (CHINA)
Bachelor of Physiotherapy (Honours)
Physiotherapist at Core Physiotherapy and Pilates Studio

Ella was drawn to study in Adelaide, knowing physiotherapists were in high demand in South Australia. The opportunity to participate in a wide range of placements at UniSA, helped Ella decide which career pathway she wanted to take following graduation. She was also drawn to study in Adelaide, knowing physiotherapists were in high demand in South Australia.

“As a physiotherapist, I am proud that I am able to help our community to achieve their personal health goals and help them to improve their quality of life as well.”

FORCES HONOUR FOR BUSINESS STUDENT
AIZAT RAHIM (MALAYSIA)
Bachelor of Management (Marketing)*
Founder and Managing Director of Dropee

Named as a Forbes 30 Under 30, Aizat Rahim, is an entrepreneur based in Kuala Lumpur, leading a B2B marketplace that connects more than 170,000 retailers, suppliers, manufacturers and distributors to buy and sell in bulk.

Aizat has created Dropee – a platform where businesses can see their performance across the global supply chain network in real-time. Dropee was also the first e-commerce platform in the country to partner up with Malaysia’s top financial institutions to enable investment and issue credit loans to retailers.

Aizat believes the real-world practicality and hands-on learning in his degree have served him well as Dropee continues to provide inspired, innovative solutions.

“The next goal for Dropee is to reach out to as many under served retailers as possible. These small businesses are what keeps us motivated to do what we do every single day.”

*This degree is now known as a Bachelor of Business (Marketing)

The University of South Australia is located in Adelaide - Australia’s education city and the state capital of South Australia. As a welcoming and multicultural city, Adelaide is the ideal home away from home.
ADVERTISE ADELAIDE

Adelaide is a cultural destination with many different nationalities, foods, festivals and events. It is home to some of the country’s best beaches, wine regions and parklands. Adelaide is a city shaped by stories. The first of these stories were created by the Kaurna people of the Adelaide Plains, which remain alive today and are interwoven with the stories of all the people who choose to live, work and study in Adelaide. The city is a celebration of diversity and inclusion with a strong sense of community.

MULTICULTURAL
Almost one in four people in South Australia were born overseas with ancestry tracing back to more than 120 countries. Australia also has a democratic system of government and is accepting of different religious beliefs.

ACCESSIBLE
Adelaide offers all the advantages of big city life but is still easy enough to get around. By car, it takes just 15 minutes to travel from the airport to the city and 20 minutes from the city to the beach or hills.

AFFORDABLE
Adelaide has one of the highest standards of living in the world yet is one of the least expensive. This means more money to spend on food, accommodation, supplies, travel and entertainment.

1. Find the best degree for you
   - You can apply for up to six degrees
   satac.edu.au/undergraduate

2. Check the entry/admission requirements
   - Entry is determined by a Selection Rank score, which is your Australian Tertiary Admissions Rank (ATAR), including any Adjustment Factors.
   - Adjustment Factors are automatically processed by SATAC and based on any eligible subjects you passed in Year 12 (see next column for more information).

3. Apply via SATAC
   - Apply through the South Australian Tertiary Admissions Centre (SATAC)
   - Applications open in August and close early December (however you can still apply through SATAC until early January)
   satac.edu.au/undergraduate

4. Application assessment/accept your offer
   - The first offer round is in December (shortly after Year 12 results are released) with further offer rounds in January
   - You will also receive offers from the University for all your eligible preferences. You will need to respond to the University as soon as possible to secure your place in your offered degree

Other International High School Programs
If you are studying an international high school program outside of Australia, you may still be eligible for direct entry to UNISA. Please follow the steps on page 42-43 to find out how to apply for your degree.

Adjustment factors for students of Australian Year 12 programs

Adjustment factors are automatically processed by the South Australian Tertiary Admissions Centre (SATAC) based on eligible subjects students passed in Year 12.

UNIVERSITIES LANGUAGE, LITERACY AND MATHEMATICS SCHEME
All eligible students will be awarded 2 points, up to a total maximum of 4 points, for successfully completing a subject in any of these categories:
- 20 credits of a LOTE in the Languages Learning Area
- 2ELS20 English Literary Studies or 2ESH20 English
- 2MHS20 Mathematical Methods or 2MSC20 Specialist Mathematics.

UNIVERSITIES EQUITY SCHEME
Students of certain specified schools in SA/NT will be awarded five adjustment points. The list of eligible schools can be found on the SATAC website and is updated annually.

ENGLISH LANGUAGE REQUIREMENTS
For 2023, the following SACE subjects or their interstate/international equivalents will be considered acceptable ‘Year 12 English subjects’:
- English Literary Studies
- English
- Essential English
- English as an Additional Language

Centre for English Language (CELUSA)

The Centre for English Language at the University of South Australia (CELUSA), located at UniSA’s City West campus, delivers high quality Academic English programs designed to prepare students from non-English speaking backgrounds for university study.

CELUSA is suited to both undergraduate and postgraduate applicants who do not meet the University’s English language entry requirements and offers Academic English (AE) language preparation programs.

Students who are eligible for and successfully complete an AE program (at an appropriate level) will be able to commence their studies at UniSA or a pathway program through SAIBT.

CELUSA is also an IELTS and OET test centre.

### UNDERGRADUATE PATHWAY OPTIONS

The South Australian Institute of Business and Technology (SAIBT) offers a range of Diploma and Early Transition programs that provide entry into either first or second year of over 90 bachelor degrees at UniSA. SAIBT also offers the Graduate Certificate in Business and Management which offers entry into a range of master's degrees at UniSA.

**SAIBT programs include:**

- Early Transition Program – Arts
- Early Transition Program – Engineering
- Early Transition Program – Health Science
- Diploma of Arts
- Diploma of Business
- Diploma of Engineering
- Diploma of Health Science
- Diploma of Information Technology
- Graduate Certificate in Business and Management

Located on UniSA’s City East campus, SAIBT students have access to University facilities and study in a vibrant and diverse learning environment with small classes and personalised teaching.

**Eynesbury College** offers a range of programs that can lead into the first or second year of an undergraduate degree at UniSA.

**Eynesbury College programs include:**

- English Language programs (for undergraduate and postgraduate entry)
- Foundation Studies Program
- Diploma Studies – Business or Computing and IT
- Diploma – Business, Engineering or Computing and IT

Located in the city centre, Eynesbury College is close to our City East and City West campuses, and offers excellent teaching quality and support for students.

**TAFE SA** packaged programs offer you a practical way of achieving your end goal of an undergraduate degree from UniSA. Successfully completing a TAFE SA Diploma, Advanced Diploma or Associate Degree provides entry into a range of undergraduate degrees at UniSA, and credit for previous study can lead you directly into Year 1, 2 or 3, reducing the overall study time through credit transfers.

HOW TO APPLY

HOW TO APPLY

1. Find your degree
Explore your study options in this guide (pages 44-49) or go online for more information.
study.unisa.edu.au

2. Check admission requirements
Make sure you are aware of entry requirements including:
› English language
› Academic entry
› Guidelines on genuine temporary entry
› Guidelines on living costs and evidence of funds

3. Apply
Once you have found the degree you wish to study, you can apply online either directly or via an Education Agent. Apply at least two months before you intend to start studying. Some students may require more time to ensure they receive their visa.
› Apply directly — You can apply directly via our secure online service. Save your application and return later to continue the process and track your progress.
› Education Agents — Depending on your country of citizenship, you may be required to apply through one of our registered Education Agents.
unisa.edu.au/find-an-agent

SUPPORTING DOCUMENTATION
To avoid delays, attach the following documents to your online application:
› Certified copies of academic transcripts and graduation certificates, including information on your institution’s grading system as required
› English language test results (e.g. IELTS or TOEFL) where applicable
› Detailed syllabi/course outlines of previous studies if you are applying for credit or advanced standing
› Additional academic and employer references if required; and
› A certified* copy of the personal details page and signature page of your passport.

4. Wait for application assessment
Application outcomes in one to two weeks*
If you are eligible we will email you or your Education Agent, an offer letter package. If you are not eligible, we may suggest alternative programs or pathways. Your application will be assessed in accordance with the University’s Selection and Entry to Programs Policy, which includes the guidelines on genuine temporary entry and guidelines on living costs and evidence of funds.

5. Accept your offer
To accept a place in your offered degree, you will need to:
› Check the offer letter package
› If all details are correct, log in to our secure online service and complete the steps to accept. This includes uploading any additional documents required, accepting the terms and conditions of your offer and finalising your payment.
If you have an Education Agent, they can help you accept via our secure online service:
student-unisa.studylink.com

STUDENT VISAS
We will send you or your Education Agent a Confirmation of Enrolment (CoE) document to enable you or your Education Agent to apply for a student visa for your entry into Australia. Apply for your student visa as soon as you receive your CoE.
unisa.edu.au/student-visa

STUDENT PAYMENTS
UniSA uses Convera which helps you make payments in your preferred currency without extra fees and delays.
› Pay your tuition fees quickly
› Make payments online, by bank transfer or via credit card
› Track payments and receive status updates by text and email.
international.unisa.edu.au/how-to-apply/pay-your-deposit

6. Prepare for arrival
› Enrol online — you can enrol before you leave home
› Book your travel — check with your travel agent early for flight options but do not confirm bookings until you receive your CoE document. You can also book our free airport pick-up service and on-arrival temporary accommodation to help you get started. You should also check the Department of Home Affairs’ Entering & Leaving Australia page for the latest information on Australia’s immigration and border arrangements.
› Arrive on time — if you are unable to arrive by the commencement date, you may have to defer your offer as some programs have compulsory orientation
› Get ready for Orientation — attend welcome sessions and activities to meet other students and get to know life on campus and in Adelaide.
