FREE SCHOOL EDUCATION IN SOUTH AUSTRALIA

If you are a sponsored student with dependents in Australia, you can send your children (under the age of 18) to local government schools. You only have to pay a minimal local school administration fee.

UNISA HEALTH MEDICAL CLINIC

Our convenient on-campus General Practitioner (GP) consults are available to students for a small gap fee of AUD\$10.

INDUSTRY AND INTERNSHIPS

We partner with more than 2,500 companies worldwide to bring our students valuable opportunities to participate in placements, internships, and industry projects. We build this practical experience into our degrees so you will graduate career ready.

Here are some examples:

By studying a postgraduate qualification in business, finance, management or accounting, you will benefit from experience-based learning opportunities, including mentoring from a senior business leader through our Executive Partners Program.

Gain practical experience in all of our teaching degrees, with supervised field placements. You will feel equipped with the skills and confidence needed to be a successful early childhood, primary, or secondary teacher.

Within our engineering degrees, you will participate in the UniSA STEM Professional Practice Program, giving you hands-on experience and the ability to establish industry connections.

"I chose UniSA because there was a focus on real-world practice integrated with theory. Since graduating, I'm more confident in my professional life and I've been able to apply my knowledge and experience in sustainable water management to make a significant impact on society."

Vannaphone Phetpaseuth
Master of Engineering (Water Resources Management)
