B.1 Principles

The SAIBT-CELUSA Academic Director, Student Learning Advisor and teachers are committed to systematically monitoring the attendance of each student enrolled at CELUSA and proactively notifying and counselling students who are at risk of failing to meet the requirements.

In accordance with the National Code of Practice, poor attendance levels will be communicated to students, appropriate staff and relevant legislative authorities.

B.2 Policy

1 Satisfactory attendance

- 1.1 In order to achieve satisfactory attendance students must attend at least 80% of scheduled contact hours of their non-award ELICOS study period.
- 1.2 Student attendance will be assessed on a weekly basis
- 1.3 If a student is issued with a new Confirmation of Enrolment (CoE) their attendance is monitored over each of the CoE's separately.
- 1.4 Students whose attendance falls below 80% may have their Confirmation of Enrolment (CoE) cancelled.
- 1.5 A cancelled Confirmation of Enrolment (CoE) will not constitute a release for transfer
- 1.6 All students who have an attendance percentage less than 80% will be required to attend academic counselling.

2 Recording of attendance

- 2.1 Teaching staff will record student absences from class on a daily basis.

3 Absences on medical grounds and other

- 3.1 A medical certificate is required for all absences on medical grounds. These absences will still be counted when calculating an attendance percentage.
- 3.2 CELUSA will only accept medical certificates signed by registered medical practitioners, health practitioners or approved health specialists.
- 3.3 Back-dated medical certificates will not be accepted except at the discretion of the Academic Directorate.
- 3.4 Written approval is required for all absences where it is known by the student in advance that they will not be attending class. These absences will still be counted when calculating an attendance percentage.
- 3.5 Students who have five consecutive absences and are at risk of falling below 80% will be

contacted, reminded of the attendance policy and referred to the Student Learning Advisor and/or class teacher for ongoing academic support and/or the Student Counsellor if necessary.

4 Absence from class

- 4.1** Students who are absent for 30 minutes or more from any session will be marked as absent for the full session.

5 Reminder, Warning and Intention to Report (ITR) letters

- 5.1** These letters will be issued to students with an active CoE and a student visa with a condition to maintain minimum attendance requirements:

- Attendance below 90% the student will receive an Attendance Reminder letter

- Attendance below 80% or below the student will receive an ITR letter

N.B. Students may not be sent each type of attendance notice, as these will be sent based on the attendance level at the time of the monitoring report being printed. For example, if a student's attendance level drops from above 90% to below 85% between monitoring reports, the student will receive an Attendance Warning without a prior Attendance Reminder.

6 Notification to Immigration

- 6.1** All students identified as maintaining an unsatisfactory attendance level will be notified in writing of the Intention to Report (ITR) them to Immigration for unsatisfactory attendance.
