Master of FINANCE

Graduate career-ready with the knowledge and skills you need to manage the challenges of the fast-developing global finance industry.

You will focus on advanced corporate finance, investment management and behavioural finance and develop expertise in critical and strategic thinking within a highly-regulated industry framework.

Under the guidance of our highly-experienced research professionals, you will strengthen your research and analytical skills.

REAL-WORLD CONNECTIONS

Our teaching staff are industry experienced and maintain close working links with leading professional bodies such as Global Association of Risk Professionals (GARP) and the Chartered Financial Analyst (CFA) Institute. This collaboration ensures the knowledge you take into your career will meet the dynamic needs of industry, and your qualification remains relevant and applicable.

EXECUTIVE PARTNER PROGRAM

Benefit from this unique mentoring opportunity to engage with highly successful industry executives. Our Executive Partners are active, semi-retired or recently retired business professionals who have a wealth of knowledge and want to help you achieve your goals.

CAREER OUTCOMES

Commercial banker / investment banker / treasury analyst / finance manager / financial controller / financial broker / global fund manager / tax accountant / auditor / customer relationship manager

"My area of research interest is in strategic knowledge management to support organisational sustainability in times of change and disruptions."

Dr Saras Saswardoyo
Program Director
