# Master of PROFESSIONAL ACCOUNTING

Graduate career-ready with the knowledge and skills you need to prepare for practice as a professional accountant.

You will gain an advanced understanding of accounting practice and develop analytical, business management, problem-solving and communication skills.

You will also have the opportunity to participate in the professional level of the CPA Program with CPA Australia as part of your master studies.

## REAL-WORLD CONNECTIONS

Our teaching staff are industry experienced and maintain close working links with leading professional bodies such as CPA Australia and Chartered Accountants Australia and New Zealand.

## EXECUTIVE PARTNER PROGRAM

Benefit from this unique mentoring opportunity to engage with highly successful industry executives. Our Executive Partners are active, semi-retired or recently retired business professionals who have a wealth of knowledge and want to help you achieve your goals.

## CAREER OUTCOMES

Accountant / senior auditor / audit analyst / tax accountant / management accountant / forensic accountant / business adviser / tax manager / financial risk consultant / corporate advisory manager

**"I recently joined the Executive Partners Program and had the first meeting with my mentor who gave me practical advice and guidance on my future accounting career."**

**Bruce Li** CHINA
