### Adelaide and South Australia

There're many good reasons why Adelaide is often referred to as one of Australia's best kept secrets. No matter which direction you head, you'll find a uniquely Australian adventure within easy reach of the city. Whatever you love, from nature walks in the bush to water sports at the beach, or visiting arts festivals in the city, you'll find it in South Australia.

*"I chose Adelaide because I wanted to have the chance to go surfing or hiking easily. I love the friendly feeling of living here and the fact that it is truly a student city."*
